

## About us

We, the **Fogt Winery**, are a **family enterprise from Rheinhessen** in the truest sense. Our family members are son Georg, our distinguished winemaker; father Karl-Heinz, a traditional vintner committed to the cultural landscape; mother Brunhilde, attends to our customers and is the creative head of the estate; and daughter Dorothea, who supports us in design matters.

What distinguishes us? **Best quality** and **high-class accoutrements** for **reasonable prices**. This is not simply our own opinion, but above all that of our many devoted private customers and also of recognised German wine guides such as the *Gault Millau* or *Eichelmann*. In addition to our handpicked Spätlesen from exceptional vineyards, we also offer best quality table wines. Incidentally: we associate the **aromas** you can taste in our wines with **colours** which correspond to our whole corporate design, from labels to interior. The diversity of our soils and thus **the range of aromas and flavours** of our wines is **unique** in Rheinhessen. We gladly rise to the challenge of blending our talents with the merits of the grape variety and the characteristics of the soils, to make excellent and distinctive wines.

## Facts

<b>Growing region:</b>	Rheinhessen (Germany)
<b>Location:</b>	In proximity to Bingen/ Rhein and close to the “Nahe” Region
<b>Geology:</b>	Characteristic of our location is a unique richness of different soilstructures. There are a mix of clay and gravel, a mix of clay and porphyr and pure porphyr. This enables us to produce a extraordinary variety of high quality wines.
<b>Vineyards / Hectare (Acres):</b>	30 Hectares (75 Acres)

**Types of grape:** 22% Riesling  
12% Silvaner  
12% Müller-Thurgau  
11% Weiße Burgundersorten (Weißer Burgunder, Grauer Burgunder, Chardonnay)  
9% Scheurebe  
16% rote Burgundersorten und Dornfelder

**Single vineyard sites :** Wöllsteiner Äffchen  
Siefersheimer Goldenes Horn
